#PandoraMe

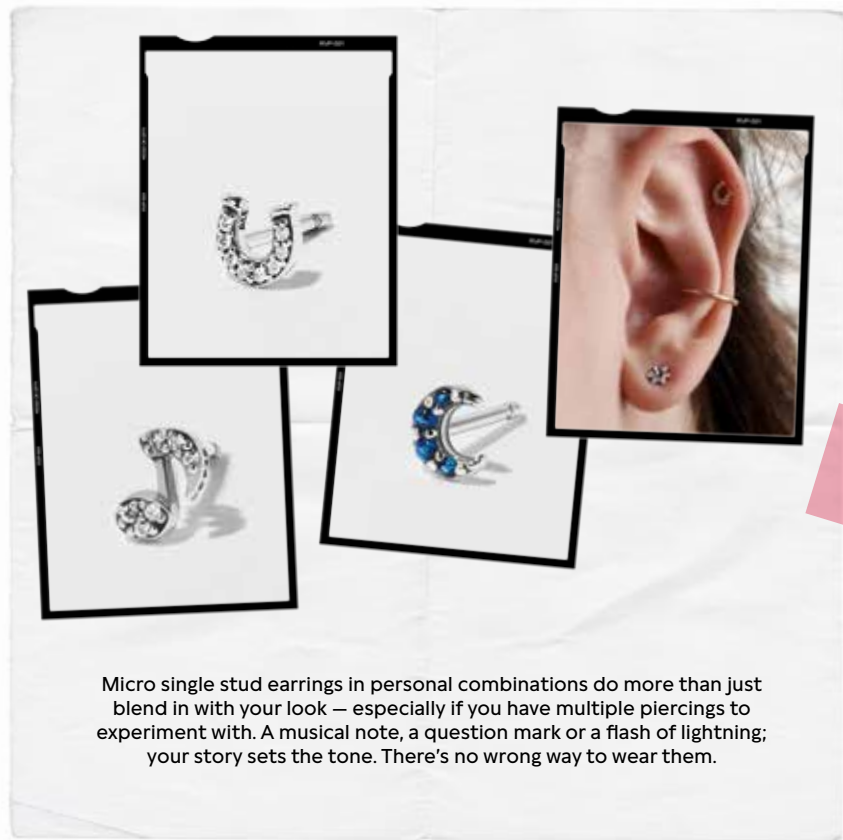

They may be small, but they create a big impact.
Personal treasures, cherished memories, milestone moments
or things of beauty, each sterling silver symbol has its own
unique meaning; it's up to you to define it.

Create your story, link by link, on the Pandora Me Link Bracelet, crafted from sustainable sterling silver. The snake chain-effect sections are hinged, allowing you to attach dangle charms in an instant.

For a look that shows off your story and style, stick a pin in it with the Pandora Me Safety Pin Brooch.

No longer reserved for your gran, fill the brooch with keepsake charms and attach it to a lapel, a sleeve or even a bag to show the things you love the most.

Pandora Me

Make your stories feel entirely new with carefully crafted and collectible symbols of playful and personal meaning, inspired by the people, passions and places you love.
